

The Intrigue of Painting

Join Kathi LeGault for this adventure in colour, technique, and design. Kathi has enjoyed Drawing and Painting since she was a child. Since graduating from University of Windsor's Fine Arts program, she has studied with Master Artists and travelled the world -- sketching her surroundings in over 20 countries. She has taught classes and workshops to budding artists aged 4 to 90+, and loves sharing her passion with enthusiastic participants.

Although trained in oil painting and various mediums, watercolour is her medium of choice.
